Minute of Dissent by Mr Bankim Chandra Datta M L C

Unavoidable circumstances took me away from town for about three months and as such I could not have any notice of the meetings held by the Select Committee

It is one of the very few Bills which is not for the general benefit of the people and is based on an imaginary grievance born of an inferiority complex

The sponsor of the Bill does not apparently seek the unification of the Bar as the Bill wants only uniformity in robes among practitioners in the Calcutta High Court leaving the other classes of lawyers to shift for themselves

The following classes of lawyers practise in the various Courts of Bengal —

(i) Vakils
(ii) District Court Pleaders Small Cause Court Pleaders and Police Court Pleaders
(iii) Mukhtears
(iv) Revenue Court Agents
(v) Solicitor
(vi) Barristers

It is somewhat obscure as to what he (sponsor of the Bill) means by saying that as a necessary step toward the creation of a united Bar there should be a uniform robe for Advocates of the High Court This clearly shows that he does not like the idea that the High Court Vakils or Advocates should wear the same robe as the District Court Pleaders or Mukhtears etc

The Barristers have from time immemorial had a distinctive robe worn by them all over the world There is no reason why they should be deprived of the same or that others should be allowed to copy them

The matter of robe if I may say so is a domestic matter for the learned Chief Justice and the Judges of the Hon'ble High Court They have after hearing all concerned exercised discretion and prescribed certain modes of robe for lawyers practising in that Court and I venture to submit that a piece of legislation like this would be a direct interference with the jurisdiction of the Hon'ble High Court and should not have been introduced in this Legislature

The Indian Bar Councils Act has dealt with the status of the Barristers and Advocates of the High Court and the question of seniority among them and thereafter there should be no grievance against the Barristers at all This cry for the same robes for all is I regret born of all imaginary grievance possibly among a very few members inasmuch as a large number of the Vakils or Advocates would never grudge the robe as they can stand in their own merits without caring for this or that robe

It is a mere cry for the shadow and the valuable time of the Legislature should not have been wasted by such an unnecessary piece of legislation

Third and Final Forecast of the Winter Rice Crop of Bengal, 1943 44

(*Note* - On an average of the five years ending 1941 42 the area under winter rice in Bengal has represented some 20 7 per cent of the total area under winter rice in India)

Character of the season —Since the issue of the Second Forecast in December last the weather has been favourable for harvesting the crop

Acreage —According to District Officers estimates the total area under winter rice is 18 176 700 acres as against 16 207 100 acres of last year

Outturn —From the summary of the district returns appended it will be seen that seven districts report bumper crop and the rest normal outturn of 100 per cent

The provincial outturn is estimated to be 103 per cent of the normal as against 68 per cent of the last year

Accepting 103 per cent as the provincial outturn the gross yield of the crop on the basis of the normal yield of 12⅞ maunds of clean rice (husked) per acre is estimated at 8 528 100 tons this year against 5 020 100 tons in the last year

Bhārater Mukti Samgram [India s war of independence]—Purports to show that the present war is also the war of independence for India Warns against the belief said to be current in a section of the Indian people that Japan will hand over independence to India Japan is an Imperialist power and as such cannot but ultimately help Fascist Germany in her attempt to crush Russia which is the ideal country for the masses Refers to Britain s hesitation to arm India although her assistance is very necessary in the present war as the armed and united people cannot only resist Fascist aggression but also destroy imperialism Indian interest is linked with those of Russia and China and she cannot do to sit idle depending upon the leaders of different political groups when the war for her own freedom is raging outside and is even knocking at her doors Students are also called upon to exert themselves for uniting the masses on the basis of nationalism Holds out the hope that the war for the liberation of humanity will be a success if India can unitedly and determinedly rise to take her stand in this war and that Britain will soon be constrained to accede to the demands of India owing to internal and external pressure Points out that independence is a thing to be achieved and not to be got as a gift and refers to the failure of Cripps s mission as a fact indicating that force and not compromise can obtain any thing for India Published by the author Chhatra Federation Office 50 Prasanna Koddar Lane Dacca (16 4 1942) Pages 9 Double Crown 16mo 1st edition Re 0 1 0 Copies 500

Pakisthaner Bicar [Examination of Pakistan]—A criticism of the Pakistan scheme Shows that the scheme means to partition India into Hindu and Muslim areas that it has been conceived in a spirit of revenge and that it has been launched after a long preparation in furtherance of the divide and rule policy of the British rule at the secret instigation of the British who mean to remain in the dark and enjoy the benefits India is one and undivided and all its peoples inspite of their minor differences comprise but one nation and so the object of the scheme is bound to be defeated as its supporters well know that it is untenable Attempt is also made to point out its defects and it is shown that the scheme fails to set its ideals in clear terms to consider the economic conditions involved and to appreciate or safeguard properly even the Muslim interests in whose name it is being pushed While discussing the secret objects of the scheme it is pointed out among other things that it means to frustrate the Congress demand for constituent Assembly by keeping alive an agitation against it to spread communalism in the frontier to frustrate all sorts of political struggles of the Congress and to wound the feelings of non Muslims so that they may stand against the Muslims thereby making the gulf wider and wider and the possibility of their fusion all the more remote Published by Book Company Ltd 4 3B College Square Calcutta 1942 (26 5 1942) Pages 3 142 Royal 16mo 1st edition Re 1 0 0 Copies 500

PART IV A—Bills introduced in the Bengal Legislative Assembly, Reports of Select Committees presented or to be presented to that Assembly, and Bills published before introduction in that Assembly

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT

NOTIFICATION

No 538L A —6th March 1944 —The following report of the Select Committee on the Bengal Supervision of Orphanage and Widows Home Bill, 1940 with the Bill embodying amendments recommended by the Committee is hereby published for general information

Report of the Select Committee on the Bengal Supervision of Orphanage and Widows' Home Bill, 1940

We the members of the Select Committee to which the Bengal Supervision of Orphanage and Widows Home Bill 1940 was referred by a motion carried in the Bengal Legislative Assembly on the 13th September, 1940 have the honour to submit this our final report with the Bill embodying amendments recommended by us annexed Matters recommended by us to be omitted have been printed in italics and enclosed in square brackets and all new matters recommended to be inserted have been underlined

2 The Bill was published in the *Calcutta Gazette* dated the 26th September, 1940

3 As the Committee could not meet before the 30th November 1940 the date appointed in this behalf by the Assembly at the meeting of the Assembly held on the 4th December 1940 at the instance of the member in charge of the Bill the time for submission of the report of the Committee was extended till the 31st January 1941, and again at the meeting of the Assembly held on the 4th April 1941, it was further extended till the 30th June, 1941 by the House on a question put from the Chair The Committee met for the first time on the 28th May 1941 and at that meeting the Committee decided to circulate the Bill to all municipalities and all associations recognised by Government including some of the well known Maternity and Child Welfare Homes for the purpose of eliciting their opinion on the Bill Opinions received by the 15th June 1941 the date fixed by the Committee to be the latest time for receipt of opinions were printed and circulated to the members of the Select Committee for their consideration But as the deliberations could not be concluded before the 30th June 1941 up to which the time for submission of the final report was extended by the Assembly the Chairman of the Committee presented an *ad interim* report to the House on the 20th August, 1941 and on a question put from the Chair the time for submission of the final report was again extended till the 30th November 1941 This time was further extended till the 30th September 1942 by orders of Mr Deputy Speaker during recess Then again at the instance of the member in charge the time was further extended till 31st December 1942 by the Assembly on a question put from the Chair on the 23rd September, 1942 This date too having expired without a meeting of the Committee being held the time for submission of the final report was further extended till the 31st January, 1944, or till the commencement of the next session of the Assembly whichever is earlier by order of the Hon ble Speaker during recess The Select Committee met on the 24th January 1944, and again on the 29th January 1944 when they concluded their deliberations and came to a final decision on the provisions of the Bill

4 The Bill has been substantially altered by our recommendation and we consider that it requires republication

5 The changes made in the Bill, apart from mere formal and technical alterations are as follows —

Title.—We have recommended alterations in the title of the Bill by deleting unnecessary words

Long Title and Preamble—This is only a drafting change

Clause 1—This is only a drafting change

Clause 2—Sub-clauses (1) and (5)—We have considered it desirable to insert definitions of "Calcutta" and "Prescribed" in accordance with our subsequent recommendations

Sub-clauses (2), (3), (4), (5) and (6)—We have redrafted the definitions of 'marriage bureau', 'orphan', 'orphanage', 'widow' and "widows home" to make them more precise

We have omitted the definitions of 'Licence', 'Person', 'Regulation', 'Registered' and 'Society' as we consider these unnecessary

Clause 3—We have redrafted this clause and have added a proviso to enable the existing institutions to obtain licence within a specified period

Clause 4—This clause has been recast and made more comprehensive The Commissioner of Police has been included as the authority competent to issue licences in Calcutta We gave our careful consideration to the provision regarding sufficiency of funds at the disposal of the society to run the institution But we did not consider it expedient to put such restrictions as some charitable institutions may not have sufficient funds at the outset The other changes are of a drafting nature

Clause 5—In redrafting the clause we have omitted the provision that a licence may be cancelled for "any other sufficient cause" as we do not consider it expedient or desirable to give such wide powers

Clause 6—This clause has been recast and expanded The provision for the inspection of the institutions has been retained in this clause The rule making powers of the Provincial Government have been provided in a new clause

Clause 7—This clause has been omitted as the provisions of this clause has been incorporated in the proviso to clause 3

Clause 8—In expanding and redrafting this clause we have considered the necessity of imposing a daily fine for a continuing offence

New clauses 9 and 10—We consider it necessary that these provisions should be included

New clause 11—We consider it desirable to add a new clause giving the Provincial Government powers to make rules

9 After sub section (*2*) of section 62 of the Bengal Wakf Act 1934 the following shall be added -

And for the economic educational and religious uplift of the Muslim Community

STATEMENT OF OBJECTS AND REASONS

Doubts have been raised by some ulama regarding the legality and validity according to the strict Shariat Law of taxing the Wakf Estates against the intention and interest of the original founders (Wakifs) under the Bengal Wakf Act 1934 but at the same time for the proper management of the Wakf Estates some sort of supervision and control over the Mutwallis is necessary on account of their mismanagement and misappropriation in some cases and funds are required for that purpose These funds may be obtained from some portions of the obligatory alms (Sadaqat i Wajibah) which are at present much misused and as the Provincial Legislature is not competent to tax the money income of the Mutwalli s share of the Wakf Estates the Federal Government should be approached to delegate to the Provincial Legislature the authority to tax 10 per cent of this net income of the Mutwallis out of their shares of the Wakf Estates and pending that the Local Government should make up the deficiency if any

Furthermore as Wakfs Mosques Zakats Fitras the prices of the hides of Kurbani and all other obligatory alms (Sadaqa i Wajibah) are akin matters appertaining to Muslim Community alone and are governed by the Shariat Law so all these should be administered under the same Act and by the same department with minimum cost and maximum efficiency

Therefore in order to make the Bengal Wakf Act 1934 all comprehensive it is proposed to amend it by additions and modifications

A Ahmad Personal Assistant
for Director of Agriculture Bengal

AGRICULTURE DEPARTMENT BENGAL.

Calcutta the 13th March 1944

Second Forecast of the Spring Oilseed Crops, 1943-44

Note—On an average of five years ending 1941 42 the area under linseed in Bengal has represented some 3 8 per cent and that of rape and mustard 12 2 per cent of the total area under these crops in India)

Character of the season—Since the submission of the First Forecast in December last the weather and its effect on the growth of the crops were not quite favourable Heavy showers in January have caused some damage in certain places Damage due to insect pests and drought has also been reported from a few districts The present condition of the crop on the whole is fair

Area sown—Oilseeds are chiefly grown in Dacca Rajshahi and Presidency Divisions In the other two divisions the cultivation is not extensive The total area under these crops (excepting *sesamum* for which separate forecasts are issued) is returned at 1 007 600 acres this year against 1 083 400 and 1 087 200 acres in the corresponding and final forecasts of last year respectively The decrease in area is reported to be due to unfavourable weather condition at sowing time

Outturn—From the District Officers estimates the average outturn of the different oilseed crops for the province works out at 73 per cent of the normal against 74 and 78 per cent reported respectively in the corresponding and final forecasts of last year
